

Lynda Library

Free online software training with your Mount Gambier Library card. From excel spreadsheets, video editing, 3D printing, Photoshop, marketing skills, Lynda Library has more than 3,000 top quality courses and 136,000 video tutorials for learning the latest commercial software, creative and business skills.

Using Lynda Library

You will need:

- An Android tablet, or an Apple iPad, iPhone, Mac, PC
- A current Mount Gambier Library card with a PIN number
- A Wi-Fi Internet connection

Accessing Lynda Library

1. Click on the “login” button located underneath the Lynda Library section.
2. Click on the red “Login Here” text and fill in the fields with your Mount Gambier Library card number and PIN.
3. Once you’re logged in, you can choose a course you’d like to watch by either looking through the categories, or looking at the featured tutorials.
4. To play a tutorial, click on the play button on the image next to the tutorial description.
5. You can then use the different options to navigate your way through. They have a transcript underneath the tutorial for you to follow if you choose. You can also jump through to different chapters in the tutorial.
